

Early Childhood Group Piano Application

Yoga Art Space
8338 Comanche Rd NE, Albuquerque, NM 87110

This course is a specialized small group piano class created to develop the overall musical appreciation and rhythmic musical unfolding at the level of 5 and 6 year-old children.

Classes will take place at Yoga Art Space from 10:30-11:15 from January 27, 2024 to April 27, 2024 with no class April 6, 2023.

The 13-class course is offered for the price of \$300 (plus tax), which includes books and other materials used in class.

A typical class will include some of the following: movement and music activities away from the piano, piano exploration, a review of previous piano pieces, and the introduction of new piano pieces. Beginning lessons will focus on listening skills and learning songs by rote. In this pedagogical method, students are not taught how to read music or play from notation until later classes.

Why are you interested in this class?

What is your child's musical experience?

Lesson

- I understand that lessons will take place at Yoga Art Space (address listed above). I can give my child transportation to and from this location.
- I understand that a parent or guardian is expected to attend class with the student and help the student practice throughout the week.
- I understand that the course includes 13 classes, running from January 27, 2024 to April 27, 2024 with no class April 6, 2023.
- I am aware that class is scheduled from 10:30-11:15 on the dates listed above. I understand that punctuality is vital to helping my child learn and that tardiness or leaving early disrupts the learning of my child as well as the other children in the class. I am aware that my child should arrive 5-10 minutes early to class and the studio doors will be locked at the class start time.
- I understand that if the instructor is absent, the class will be rescheduled (the ending date will be moved to May 4, 2024) or a substitute will be present to lead the class. I understand that in the event of a schedule change, I will be contacted at the email provided in this application.
- I understand that attendance is necessary for improvement and that I should only sign up for this course if my child can attend at least 10 of the 13 classes (this includes absence due to illness, travel, and other circumstances).

Payment

- I understand that if my child's application is accepted, I will need to pay the \$300 (plus tax) course fee in full and in advance in order to reserve a spot in the class. This price is subject to change for future courses.
- I understand that no refunds will be offered. The course fee is the same regardless of how many lessons my child attends.

Practice

- I am aware that this course explores the full range of the keyboard. I understand that I will need to be in possession of a full 88 key piano or keyboard by the first class.
- I understand that practice and listening assignments will be emailed each week to the email I provided on this application. I can commit to helping my child spend 5-10 minutes daily completing these tasks.

Expectations

- I understand that I may be added to a waiting list or be offered a class at a later time in the day on Saturdays if the class reaches full capacity.
- By signing below I acknowledge that I have read and agree to all of the above statements. I understand that failure to follow these policies may prevent my child from being accepted into future classes.
